LB 42, 56, 75, 81, 96, 193, 232
240, 337-339, 508, 631, 696

SENATOR DECAMP: Mr. President, I certainly appreciate the dubious honor. Somebody pointed out to me that the end of World War II they only had one editorial in the paper on the particular day and when Nixon resigned they only had one, but on one day I was allowed to have two in the same newspaper on the same day and its certainly an honor from the World Herald getting this attention and I hope they'll quit it.

PRESIDENT: As Carpenter used to say, just as long as they spell your name right, that's fine, huh? Senator Chronister.

SENATOR CHRONISTER: Mr. President and members, just a point of personal privilege in regard to the scale. I would like Pat and John to know that I've already checked it out and it is ten pounds heavy.

PRESIDENT: We believe that, Senator. The Chair is asked to announce that Senator Wesely has guests in the north balcony. They are 34 sixth graders from "Kaha" Elementary. Am I pronouncing that right? Kahoa, Kahoa Elementary School, and they are accompanied with their teachers and we're glad to welcome you to the Legislature this morning. You don't always find us pulling these little pranks like we did. We're more serious than this. Welcome to the Legislature. Now then, matters for the record, Mr. Clerk, anything?

CLERK: Yes, sir, Mr. President, Senator Landis would like to print amendments to 508. (See pages 668-70 of the Legislative Journal.)

The Enrolling Clerk has presented to the Governor the bills read on Final Reading this morning. (Re: LB 339, 42, 75, 81, 96, 193, 240, 337 and 338.)

Ag and Environment reports LB 56, 232, 696 as indefinitely postponed, those signed by Senator Rod Johnson as Chair. (See page 670 of the Legislative Journal.)

Mr. President, Senator Abboud and Senator Remmers would like to withdraw their names from LB 631.

PRESIDENT: Is there objection? Hearing none, so ordered.
